Notes from Recent School Council Meetings:

In this meeting we welcomed Andrea Faustino who is the Polygon School Chair of Governors.

Andrea spoke to the School Council about their likes and dislikes in school and how they find day-to-day school life.

She also spoke to the council about using a budget to enhance the outside areas at school and discussed their suggestions, these included more outdoor equipment and painting the school benches.

We look forward to working with the governors in the coming months to see these plans through and make changes as agreed with SLT.

If you have anything you would like to bring up in School Council meetings, then please speak to your Class Councillor.

All suggestions and points are discussed by the council and then go to SLT (Senior Leadership Team) for discussion and a response.
