Minutes of the meeting:

The first School Council meeting of the year welcomed its new members and its guest Miss Emery. The purpose was to speak about school uniform options within school.

The council spoke about uniform expectations and how these need to be the same in each lesson. It was suggested a poster was created to show what is acceptable.

The council also spoke to Miss Emery about the cost of uniform and options for jumpers and school fleeces.

Actions:

The School Council voted to introduce new school fleeces as a part of the uniform, these will follow the same navy blue uniform colour and school logo. Miss Emery will work with Friends of Polygon to provide one fleece per pupil.

The School Council will distribute an interest and order form.

The School Council will also assist Miss Emery when trial versions arrive to gain sizes. A 'fitting session' will be held in the hall.

The School Council can share with the school that we expect these to be available by mid-November.
