3LBH – Archie S	3JG – Isaac S

Minutes of the meeting:

Mr Rooke welcomed the school council to the first meeting of 2025/26. Mr Atkinson was invited to speak to the school council about the current reward system.

Mr Atkinson explained the reward system and the rewards we have available as voted for by the school council last year. He also spoke about timings for the system and how to claim rewards for their points. He asked the council to speak to their individual class groups about the rewards on offer and, if needed, suggest new ideas.

Actions:

Each class councilor was given a sheet to take back to their class about current rewards and suggestions. Class councilors, and tutors, will have a conversation with their groups, vote to keep current rewards and suggest new rewards.

Could all suggestion sheets be returned to Mr Rooke by Friday 3rd October. These will go to Mr Atkinson and SLT for consideration and be fed back at the next meeting.
