

# Engagement Pathways Curriculum

## Life-Skills

Life skills underpin our curriculum and are delivered through ASDAN's award programme, student-led activities and personalised time tables.

## GCSEs

Pupils with the required engagement and academic resilience, are prepared to sit the iGCSE's in English Language and Maths.

## ASDAN & Unit Awards Scheme

All pupils follow and gain certification in ASDAN's PSHE short course. In addition, pupils will have an individualised programme of study and certification from the AQA Unit Awards Scheme.

# Engagement Pathways

## Stretch and Engagement

## Functional Skills Levels 1 & 2

To support pupils in their development towards GCSE in maths or English, or further study at college, Functional Levels 1 & 2 are offered in both Maths and English.

## Entry Levels

In order to support their academic journey and prepare for life after school, all pupils will work towards their entry levels in small steps.
